OF MEDICINE

TURNING MAYHEM TO AN  
ORGANIZED TEAM RESPONSE

*Critical Events on Labor and Delivery*

Saturday-Sunday | March 16-17, 2019

University of Washington Foege Auditorium | Seattle, WA

Sponsored by UW School of Medicine  
Department of Anesthesiology & Pain Medicine  
Department of Obstetrics & Gynecology  
Office of Continuing Medical Education

## WHO SHOULD ATTEND

This meeting is intended for specialists working on any labor and delivery floor including anesthesiologists, obstetricians, nurse anesthetists, residents and fellows in the Pacific Northwest. Pediatricians, neonatologists, perinatologists, general practitioners, delivery room nurses, nurse midwives, and clinical pharmacologists may also find educational benefit.

## COURSE DESCRIPTION

The 3<sup>rd</sup> University of Washington Obstetric Anesthesia Conference will be another joint venture with the Obstetrics Department, the Anesthesiology Department, and the UW Nursing Center for Simulation. The conference will provide all L&D floor providers including anesthesiologists, OB/GYNs, nurse anesthetists, residents, and fellows with 1.5 days of CME accredited learning.

Presentations from faculty experts will be combined with hands-on workshops using state of the art simulations. The first day explores a variety of important themes about outcomes of labor and delivery patients via lectures, debates, and problem based discussions. Each presentation will allow ample time for interaction with the audience. The second day will access the new University of Washington's School of Nursing state of the art high fidelity simulation center. This center (a leader in the use of simulation technology to improve patient care) will be available for small group workshops as well as teaching via live models.

## COURSE OBJECTIVES

Upon completion of this activity, attendees should be able to:

- approach and treat uncommon yet life-threatening conditions using a multidisciplinary team approach.
- implement team huddles in their respective work environment to improve patient care and safety.

## ATTENDANCE POLICY

Course activities are exclusively reserved for course attendees. Badges provided at registration are required for entrance into all functions and will be strictly enforced.

## ACCREDITATION

### Accreditation with Commendation

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit Designation

The University of Washington School of Medicine designates this live activity for a maximum of 9.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
